Re: Rejection and Referral of Administrative Complaint

Dear Mr. Inmon:

The U.S. Environmental Protection Agency (EPA) Office of Civil Rights (OCR) received a complaint on January 11, 2016, alleging that the Texas Prison System at the (b) (6) - Privacy (b) (6) - Privacy run by the Texas Department of Criminal Justice has violated Title VI of the Civil Rights Act of 1964, as amended (Title VI), 42 United States Code (U.S.C.) §§ 2000d *et seq.*, and EPA's nondiscrimination regulations found at 40 Code of Federal Regulations (C.F.R.) Part 7. Specifically, the complaint alleges that you are forcing prisoners to work under hazardous conditions at the (b) (6) - Privacy Plant that has caused visible signs (b) (6) - Privacy (b) (6) - Privacy ailments caused by poor air quality where lint and dust are in abundance. After careful review, the complaint is rejected and referred as of the date of this letter.

Pursuant to EPA's nondiscrimination regulations, OCR conducts a preliminary review of administrative complaints for acceptance, rejection, or referral. *See* 40 C.F.R. § 7.120(d)(1). To be accepted for investigation, a complaint must meet the jurisdictional requirements described in EPA's nondiscrimination regulations. First, it must be in writing. *See* 40 C.F.R. § 7.120(b)(1). Second, it must describe an alleged discriminatory act that, if true, may violate EPA's nondiscrimination regulations (*i.e.*, an alleged discriminatory act based on race, color, national origin, sex, age, or disability). *Id.* Third, it must be filed within 180 calendar days of the alleged discriminatory act. *See* 40 C.F.R. § 7.120(b)(2). Finally, it must be filed against an applicant for, or a recipient of, EPA financial assistance that allegedly committed the discriminatory act. *See* 40 C.F.R. § 7.15.

OCR has concluded that it cannot accept this complaint for investigation because it does not meet the jurisdictional requirements described in the EPA's nondiscrimination regulations. The Texas Department of Criminal Justice, (b) (6) - Privacy is not a recipient of EPA financial

assistance. Therefore, the OCR is rejecting and referring the complaint and closing this matter as of the date of this letter.

There may be other agencies, which may have jurisdiction to receive the complaint: the U.S. Department of Justice (DOJ); the U.S. Department of Interior (DOI); and the U.S. Department of Agriculture (USDA). Therefore, OCR has referred this complaint to DOJ, DOI, and USDA for their review and action, if appropriate. The contact person for each agency is listed below.
